Press Release

HCG launches comprehensive cancer center in Nagpur

Nagpur, June 7th, 2017 - Healthcare Global Enterprises Limited (“HCG”) today announced the launch of a comprehensive cancer center in Nagpur, Maharashtra. The new center was inaugurated on 4th June by the **Hon’ble Shri Devendra Fadnavis, Chief Minister of Maharashtra.**

The **HCG NCHRI** cancer center is a 125 bed dedicated comprehensive cancer hospital established in collaboration with the Nagpur Cancer Hospital and Research Institute (“**NCHRI**”). The new center is based on a multi-disciplinary team, adherence to proven clinical protocols and quality norms and features advanced technology including the TrueBeam STx™ radiotherapy system, PET-CT as well as a Bone Marrow Transplant Unit.

Dr. B.S. Ajaikumar, Chairman, HCG Enterprises Limited said, “I am very pleased to dedicate this new comprehensive cancer center to the people of central India where there is a huge and growing unmet need for high quality cancer care. This is an important step towards our mission of making high quality cancer care with good clinical outcomes accessible to everyone”.

Dr. Ajay Mehta, Director and Head of Surgical Oncology, HCG NCHRI said, “Our dream of having a truly comprehensive cancer center in Nagpur featuring the best in technology and expertise has now finally become a reality!”

About HCG Enterprises Ltd:

Healthcare Global Enterprises Ltd (HCG), headquartered out of Bangalore, is the largest provider of cancer care in India. Through its network of 18 comprehensive cancer centers spread across India, HCG has brought advanced cancer care to the doorstep of millions of people. HCG’s comprehensive cancer centers provide expertise and latest technologies in diagnosis and treatment of cancer under one roof. HCG has pioneered introduction and adoption of several technologies in the country and is amongst the first to introduce high-intensity flattening filter free mode radiotherapy, stereotactic radiosurgery and robotic radiosurgery, in the treatment of cancer in India.
